Refund Policy: Refunds or cancellations of orders may be issued if the following are met:

- Requests for a refund or cancellation of an order must be made by contacting CareerSafe directly by phone or email within THIRTY (30) days of the date the order is processed and voucher identification numbers are supplied to the customer.
- Refunds or cancellations will only be awarded for course voucher identification number(s) that have not been in use or completed by a student.

Refunds will only be issued to the organization/individual that originally placed the order and not necessarily to the individual possessing a voucher identification number(s) for an uncompleted course. Depending on the industry, once an online course is started, students have up to one year to complete the course to receive credit for completion. Refunds will not be issued due to failure to complete the course within the allotted time period. Refunds will not be issued for failure to complete the course examination with a passing score.
